PRODUCT WARRANTY

What is Covered

This warranty covers any failure of the applicable work to perform as stated in our written statements and specifications that have been given to you for the specified product, with the exceptions stated below.

What Sealmaxx Suburban, Inc. Will Do

If our work fails to meet this standard, we will re-apply the sealant without any charge during the warranty period. We will replace, repair the effected wood. Masonry, concrete or related property will be retreated.

What is Not Covered

This warranty does not cover:

1. Defects, decay, damage or imperfections that exist in the wood, masonry or concrete prior to our work;
2. Casualties, intention damage, or acts of God that may harm the wood, masonry or concrete.
3. Consequential damages or loss of use.

How Long Coverage Lasts

This warranty runs from the time listed for the respective product checked below. If you sell your property, this warranty is transferable to the new owner. This warranty is void if our invoice for our work is not paid in full.

How To Get Service

Contact **SealMaxx Suburban, Inc.** at 877-213-8185 or write to 347 Lela Lane, Bartlett, IL 60103. A representative will come to your home and take the necessary action to correct any problems covered by this warranty.

No Other Warranties Apply

This written warranty is given to you as your exclusive remedy and takes the place of "implied" or unstated warranties. No other warranties apply, including the implied warranties or merchantability or fitness for a particular.
